SUBJECT: BLUE LANTERN LEVEL 3: POST-SHIPMENT END-USE CHECK  
ON LICENSE 050060873

REF: 2006 BLUE LANTERN GUIDEBOOK

11. This is an Action Request. See paragraphs 2-4.

12. The Department's Office of Defense Trade Controls Compliance (PM/DTCC) requests Embassy's assistance in conducting a post-shipment check on license 050060873 for the export of C27J aircraft wing components to Italy. Embassy is requested to complete this Blue Lantern check within 45 days. Lack of response to a Blue Lantern check will affect pending and future licenses involving parties to this license.

13. Reason for request: Unusual routing of export to Italy via the Czech Republic.

14. ACTION: Embassy is requested to make inquiries with appropriate host government officials to determine if the Italian Air Force (IAF) has received the C27J aircraft components and that the articles are being used for the purpose stated on the license. Can the IAF explain the exact role of Alenia and Aero Vodochody on this transaction? Are they providing integration or manufacturing services or just acting as parts purchasers? Note: items were shipped in full from the U.S. on December 20, 2007. END ACTION.
